BY THE EDUCATION FOUNDATION FOR THE ST. VRAIN VALLEY.

SILENT AUCTION

Every school is being asked to create a silent auction basket for the Gala that will be held on Saturday, November 3 at Omni Interlocken Hotel in Broomfield. Proceeds from the silent auction will support the mission of the Foundation to enhance student success and teacher excellence.

- Baskets should have a minimum value of \$150
- Please ask all staff, parent groups, booster clubs to contribute an item or cash to purchase items
- Baskets can be a container of any sort, such as a wooden basket, decorative metal bucket, cooler, etc. Be creative! Your basket is a representation of your school.

Please deliver your basket to the Education Foundation by Friday, October 12th. Please note your school's prominently with the basket, and include a fair market value of the basket, along with the name of your basket. The Foundation is located at the Lincoln School at 619 Bowen Street.
